RESTAURANTS AND BARS

· ***The Peak Lounge***: A perfect venue for the enjoyment of light cuisine, fresh homemade pastries and an authentic English afternoon tea, served in the serene and intimate surroundings of a bamboo garden washed with natural light.

· ***The Peak Bar***: Classic cocktails are served here each evening, in a magical setting softly lit by paper lanterns and overlooking the spectacular city lights. Adjacent to The Peak Lounge on the 41st floor.

· ***Girandole***: The seasonal menu of this all-day dining room on the 41st floor offers Continental cuisine and select Asian specialties. The informal atmosphere has a distinct air of sophistication, and café life on the walls high above the dining area.

· ***Kozue***: Designed with rich, dark woods and stained bamboo, this bold architectural space on the 40th floor is a splendid setting for the enjoyment of creative Japanese cuisine. An unobstructed view of Mount Fuji accompanies the hearty, original dishes served homestyle on artistic earthenware.

· ***New York Grill*** and ***New York Bar***: Crowning the hotel on the 52nd floor, these chic and vibrantly contemporary venues celebrate the dynamic international spirit of their urban namesake via food, music and art. Breathtaking views from floor-to-ceiling windows are the backdrop to a vast open kitchen, walk-in wine cellar, and nightly performances of live jazz. The menu features prime quality beef, fresh seafood and poultry roasted to perfection on the rotisserie.

· ***Pastry Boutique***: Fresh home baked cakes, pastries and breads and a fine selection of gourmet gifts await in this confectionery gallery on the 2nd floor.

· ***Delicatessen***: Conveniently situated on the first floor of Park Tower, this chic gourmet specialty shop offers signature dishes from New York Grill, including the Caesar Salad and Garlic Mashed Potatoes. Also available is a large selection of imported products for home cooking and unique gourmet gift ideas intended for family and friends. Limited seating is also available to enjoy a light breakfast, sandwich luncheon or afternoon snack.

CONFERENCE AND BANQUET FACILITIES

Large gatherings at Park Hyatt Tokyo are defined by creativity and imagination, personalized planning, unparalleled atmosphere, unique decorations, original menus, and above all, a commitment to quality. The hotel is equipped with three beautifully appointed function rooms whose flexible design can accommodate a broad range of social and business functions.

- **The Ballroom:** This dramatic space features state-of the-art audio-visual systems, including conference-quality sound and a built-in video wall for teleconferencing and high-tech presentations. The elegant design of the room is further enhanced by the high ceiling (6.5 meters/21 feet), performance balcony for musicians, and remarkable views of sky and cityscape.

- **Venetian Room:** In the classic tradition of fine European ballrooms, this striking room with

Venetian crystal chandeliers and hardwood flooring is a perfect venue for an intimate sit-down dinner or a prestigious reception. Equipped with a built-in video wall, the space can also be used for business meetings and conferences.

·**Drawing Room:** The refined environment here conveys the spirit of an elegant personal residence, complete with exquisitely appointed dining and lounge areas. A superb venue for aperitifs followed by dinner and late evening cordials.

·**Wedding Chapel:** Generously appointed with white marble and rich fabrics, the chapel accommodates Christian ceremonies. Green crystal from Murano used in the decorative lighting adds a traditional and romantic touch.
